Hello Sheila

I hope all is well with you and that post project things are less hectic for you.
Busy, busy here but all is well thanks.

Great to hear that you are already seeing benefits of the installs; that is heartening to hear as it must be for you as well.

Please see the attached which may be of use to you. I've sent the logos in two formats, so you can use the one that suits you best. This link [Acknowledging CARES support and promoting your project · Local Energy Scotland](#) may also be useful and has other logos on you may wish to incorporate.

If you could send us confirmation of the board when it's done that would be appreciated.

Best wishes
Ruth

Hi Ruth
Hope you are well and not too busy .
The hall is moving towards re-opening and we are already seeing the benefits of our renewables.

The hall is preparing a thankyou board for our sponsors/funders. Could you please email me the appropriate logos so we can add CARES/EST.

Yours
Sheila
