Good morning Marie-Claire

A quick update

The kitchen is now complete and been thoroughly cleaned ready for our re-opening. I am in the process of adding up our expenditure and will forward spreadsheet and photos when complete.

The hall is preparing a thankyou board and it would be great if you could provide the appropriate logo(s) so that we can include them.

Yours

Sheila

Happy New Year

As requested this this is an update on where our kitchen project has reached.

The good news is that the kitchen units have been purchased and installed, the floor has been laid and some of the appliances purchased. As with any project there have been some hitches, the main one being delays in the 'trades' completing their work.

All our contractors ie joiners, electricians and plumbers etc came down with the flu and other illnesses prior to Christmas, this has put the finishing and installation back by several weeks as they catch up on their various contracts.

We do expect to be completed by end of February with the opening of the hall is pencilled in for April.

Monetary wise we are on budget, is it acceptable to purchase crockery, bins etc with the grant money?

I will be away from 16 January through 10 February, Kenny will be keeping an eye on things and making sure there is progress.

Please let me know if you wish any further information at this point.

Yours

Sheila

Dear Sheila,

Group name: Craigrothie Village Hall

Project ID: 20327045

Now your project is up and running, we'd like to know how it's going. We hope it's all going well, and we're looking forward to finding out about your project.

We'd like to know how you've spent the funding so far and if you're spending it the way you said you would in your application. We know things don't always go to plan and if there are small differences, that's okay.

A quick write-up of what you have managed to do so far and a plan for the remainder of the grant period would be great. Don't worry if you think it might take longer to finish delivering your project, we can chat about a new project end date.

I'm sending you this request a little early to account for the Christmas holidays, but don't worry - we don't need an update from you until **28/1/26**.

Alternatively, if the grant funds have been spent, can you complete and return the attached End of Grant Report Form.

In the meantime, if you have any questions regarding your project please contact me.
